31st July 2021

The Vines Residents Association WEEKLY NEWSLETTER

PROGRESS THIS WEEK

- **PETITION FOR THE SPECIAL ELECTORS MEETING PRESENTED TO THE COUNCIL**

A public meeting will be held in late August. The date, time and location now have to be provided by the council (we're too big for most of their venues already!)

- **SURVEYS**

We are close to the magic 1,000! Please take a moment to do yours and check that our friends and neighbours have done theirs. One more day until it closes!

- Keep your wildlife sightings coming in – can't give away too much, but we have some incredibly rare and valuable species here to protect.
- We're making great progress in preparing our defence: Planning Permission, Conservation, Heritage, Housing Impact, Zoning, Traffic, Community, Green Space, Government Planning Strategies and impact on The Vines Members, especially golfers.

WHAT'S COMING UP

- A weekly Newsletter from now until we've won.
- Social gatherings to get to know each other, because there's always a silver lining, even in adversity. We'd like to organise a BBQ, as soon as the wettest ever July has finished!
- Updates on activities from The Vines Club.

WHAT WE'RE ASKING FOR

- We have specialist teams working on every aspect of the defence plan – but we can always use more people and their skills. Please drop us a line if you can help: We have, Councillors, Planners, Geologists, Hydrologists, Biologists, Forensic Accountants, Business Planning Advisors all pitching in. Have you got any skills to share?
- We also need people to help us spread the word – it takes time to post nearly 2,000 leaflets & we plan to make this a part of our communications strategy (not everyone is on Facebook).
- Please talk to your neighbours. Keep it positive - we can and will win this.
- Are there any topics that we haven't covered, that you would like us to?
